

Ksix Mini 10.000 mAh powerbank, Lithium polymer, 10 W, USB-A to USB-C cable included, Simultaneous charging, Black

Product price:

€24.99

Reference: BXBA10000SM02

EAN13: 8427542120904

The 10.000 mAh capacity of the Mini powerbank lithium polymer external battery will allow you to charge a smartphone more than 3 times, a tablet more than 1 time and wireless earphones more than 20 times. In addition, you will be able to charge multiple devices simultaneously thanks to its USB-C and USB-A ports. Thanks to its compact size and ultra-light weight you will be able to take it anywhere in a pocket, purse or backpack.
