

Ksix Slim 5.000 mAh powerbank, Lithium polymer, 10 W, USB-A to USB-C cable included, Simultaneous charging, Black

Product price:

€16.99

Reference: BXBA5000SM03

EAN13: 8427542120911

The 5.000 mAh capacity of the Slim lithium polymer powerbank will allow you to charge a smartphone more than 1 time and wireless earphones more than 10 times. In addition, you will be able to charge multiple devices simultaneously thanks to its USB-C and USB-A ports. Its compact size and ultra-light weight will allow you to take it anywhere in a pocket, purse or backpack.
