EAN13: 8427542128221

Light up your garden or the exteriors of your home with this kit of 4 SmartLED smart spotlights connected to the TuyaSmart app. Thanks to its RGBWIC technology that combines RGBIC colours with 3000K white light, it will be very easy to create personalised and unique atmospheres. Rainproof thanks to its IP65 protection and very easy to attach directly to the wall or to the ground with the help of the included stakes.
