EAN13: 6970492712139

The Xiaomi Kingsmith WalkingPad C2 treadmill is the best choice for those who want to exercise without having to leave home. Its patented folding design will allow you to store it wherever you want. It incorporates a silent motor, so you do not disturb anyone while you are using it. Thanks to its Bluetooth connection you can link it to your smartphone, control the speed and check data about the training you are performing in a quick and easy way through the KS Fit app.
