The ADO Air 20S is a 20-inch folding electric bike with an easy-to-carry drivetrain and space-saving storage. The perfect combination of carbon belt drive, torque sensor, front suspension and ultra-light aluminum body makes urban riding more comfortable and practical. The Air 20S is the best travel companion to comfortably cross the city thanks to its autonomy of up to 100km. You will be able to check your data in real time through its LCD screen or through its own ADO Ebike app.
