

Replacement charger for Ksix Core smartwatch,
Magnetic charging pins, USB-A connector, 60 cm
cable, Black

Product price:

€14.99

Reference: BXCSWCORE

EAN13: 8427542131221

The replacement charger for your Ksix Core smartwatch is composed of a magnetic pin system that offers convenient and easy charging. The cable is 60 centimeters long and incorporates a USB-A connector. Get your hands on this replacement charger so you always have it available at the office or elsewhere at home and do not have to carry the original charger back and forth and wear it out unnecessarily.
