Brighten up and bring style to all the spaces in your home with the Ksix Barcelona SmartLED ceiling light. With CCT white shade control and a luminous flux of 11.387 lumens to adapt the lighting according to your preferences and needs. Controllable from your phone thanks to the Tuya Smart app, from which you can enjoy and explore endless functionalities. It is also compatible with voice assistants such as Alexa and Google Assistant. All this alongside a design inspired by the Barcelona flower that will draw everyone's attention.
