Immerse yourself in an unparalleled visual experience with the Ksix Olympo and its 1.96" multi-touch AMOLED display. Expand your world with a multitude of features, including support for voice assistants and the ability to make, receive and maintain phone calls thanks to its built-in microphone and speaker. It is the perfect smartwatch for active and adventurous people, as it incorporates 24-hour health monitoring, multi-sport modes and is submersible. Connect it to your phone with its Bluetooth 5.3 + BLE 3.0 connectivity and control all its functionalities with the Smart-Time Pro app. It also comes with two straps, a formal stainless-steel strap and a sporty silicone strap, so you can adapt your style to suit the occasion. All this together with a battery life of up to 5 days for uninterrupted daily use.
