Product price:

€49.99

Reference: BTW01N EAN13: 8427542134550

The Ksix Odissey wireless headphones offer premium sound isolation through ANC active cancellation and improved call quality through ENC environmental cancellation. Its built-in microphone and buttons allow you to make and receive calls directly from your headset. Up to 30 hours of music and call playback thanks to the 500 mAh battery. Includes a carrying case and a jack cable to listen to your favourite songs without the need for a connection.
