The Contact iStyle smartwatch is much more than just a watch. It allows you to make and receive calls, receive app notifications, monitor your health and physical exercise and make use of a myriad of practical functions. All on a 2,01" rectangular IPS multi-touch screen that offers exceptional image quality. In addition, with an IP68 protection rating for submersion, it is the perfect companion for any adventure. An all-terrain smartwatch that will make your life easier!
