

## Eco Speak wireless speaker

SKU BLUESECOM01 | EAN 8427542103037

## Great audio quality in an eco design

The Eco Speak is a small and compact portable wireless speaker easy to take anywhere. In addition to playing up to 4 hours of music without interruption, 50% of the speaker is made of wood and its packaging is 100% plastic-free and recyclable, making it more environmentally friendly. It has an elegant and minimalist design thanks to its material and built-in leather pendant. Its quick and easy pairing allows to play music from any device with Bluetooth connection.

SPLASHPROOF

MADE OF WOOD
