Kubic Box wireless speaker

SKU BLUESPEAK09 | EAN 8427542077772

Music in a cube format

The Kubic Box is a portable, splashproof wireless speaker. In addition to playing up to 4 hours of music, it incorporates a built-in microphone that allows to use it to control and answer phone calls with simple taps on its buttons. Very easy to use by simply pairing a smartphone via Bluetooth or by inserting a Micro SD card to enjoy music. In addition, with the True Wireless Stereo mode it is possible to connect a second Kubic Box speaker to create a stereo system.
