

KSIX CHARGE

Ultra compact powerbank 10,000 mAh

SKU BPB10HD01 | EAN 8427542133287

High Density in small format

The materials used in the 10,000 mAh High Density Powerbank allow more power to be stored in less space, resulting in a much lighter form factor. Its capacity allows you to fully charge a smartphone up to 3.1 times* on a single charge. Optimised with Power Delivery technology for up to 70% faster charging. Includes 2 output ports to charge up to 2 devices simultaneously. With simultaneous charging to charge devices and the power bank at the same time. Includes a button to check battery status via built-in LEDs and a USB-C to USB-C cable.
