Phoenix audio sports glasses

SKU BXBGS01 | EAN 8427542126081

A merge of sport and sound

The Phoenix sports glasses with integrated audio and dual microphone have been designed to be the perfect companion for sports activities such as running, cycling or skiing. With a modern and innovative design, the glasses include two types of lenses so that they can be used both at night and during the day. In addition, their touch sensor makes it very easy to play music or manage calls with a few simple touches. All this with an astounding 5 hour battery life.
