

MyTag item tracker

SKU BXKTAG00 | EAN 8427542130217

A gadget to track everything

Ksix MyTag is a smart item tracker compatible with Apple devices. It is very easy to synchronise with the Apple Find My® app, from which one can keep track of the location of the connected device in real time. It includes a speaker that emits sounds to find objects more quickly thanks to the audible alert. In addition, it is resistant to water jets thanks to its IP66 protection rating. Its lightweight design makes it easy to carry inside wallets, purses or on keys.
