The choice for purses and wallets

The Ksix CardTag is a smart item tracker designed to work with Apple devices. It easily syncs with the Apple Find My® app, allowing real-time tracking of the connected device's location. It also features sound alerts to make it easy to quickly locate objects. Its slim and lightweight design of only 3 mm makes it the perfect fit to carry inside wallets, phone cases or as a keychain. It has a 2-month battery life and charges via Qi wireless charging.
