LED Stick Lamp for screens

SKU BXLAMP02 | EAN 8427542120416

Extra lighting for screens

With our Stick Lamp screen reading lamp, darkness and glare dissappear. Its 10 brightness levels and 3 types of light (white, warm and cold) provide optimal lighting in front of screens. In addition, its USB-A port allows to connect it to the laptop so it is easy to take it anywhere without worrying about having a power socket nearby. Simply adjust the built-in clamp on the computer screen, connect the USB-A end to a power source and adjust the position a
