

SmartLED light bars

SKU BXLAMP05 | EAN 8427542125954

The perfect lighting for gamer setups

The SmartLED light bars offer unique effects thanks to the RGBIC technology they incorporate. Their futuristic design and endless colour options make them the perfect accessory to accompany any gamer set up. A product easy to control thanks to its buttons, the Tuya Smart or Smart Life apps or the remote control. Its bases and brackets offer different ways of placement on different supports. Compatible with voice assistants such as Google Home, Alexa or Siri.
