

White LED strip

SKU BXLED01 | EAN 8427542133805

White light for any moment

The CCT LED strip provides adjustable white illumination ideal for any time of day, from dawn to dusk. With a 5 metre length of trimmable light, it allows for maximum adjustment in placement. Includes a remote control to change the white lights according to preference. With a luminous flux of 2,400 lumens, it offers convenient lighting for any space. In addition, they are very easy to install on any flat surface thanks to their built-in adhesive.
