

SmartLED Star strip

SKU BXLEDST5MST | EAN 8427542125930

Stars with individual illumination

The SmartLED Star strip includes 20 stars in a single garland. The Tuya Smart and Smart Life apps allow to control each of them separately to create personalized atmospheres, as well as to play with the effects or set the flashing speed. 5 meters of lights controllable from app or remote control. They are able to follow the rhythm of the music and synchronize with voice assistants such as Google Home, Alexa and Siri. A fun, multifunctional and versatile lighting format.
