

SmartLED AmbiGlow TV backlight strips

SKU BXLEDTV03 | EAN 8427542130828

A 100% immersive experience

The smart sensor strips capture the colours of the TV and synchronize them with the LED strip, replicating them and creating an immersive visual atmosphere experience. Connectable to the Tuya Smart and Smart Life apps from which you can choose between different scene modes, synchronize with music, program schedules and more. Includes remote control for offline use. Ideal for TVs from 55 to 75" although its cuttable system makes it adaptable to smaller TVs. A strip with a total length of 3.5 m that is very easy to attach thanks to its 3M adhesive system.
