For content creators

The Speech microphone is designed for all content creators and people who use their devices to record videos for social media platforms, such as Tik Tok or Instagram. Its ease of connection, small size, 10-hour battery life and 20-metre range make it the optimal microphone for any recording. It also reduces background noise to achieve the best audio quality. With a Lightning port for direct connection to iPhone or iPad and a clamp system that offers a firm grip. Available for Android and Apple models.
