

SmartLED outdoor flex neon strip

SKU BXOUTL3N | EAN 8427542128245

5 metres of outdoor neon lighting

The smart and flexible outdoor neon synchronizes several RGBIC colours at the same time. With 270° lighting angle to create a greater lighting effect in gardens, walls or swimming pools. The Tuya Smart and Smart Life apps manage the strip in real time with any device. Also controllable with IR remote control. Their IP65 protection makes them resistant to rain and they are very easy to install thanks to their clips and screws. Compatible with voice assistants such as Google Home, Alexa or Siri.
