

SmartLED outdoor solar spotlight

SKU BXOUTL4S | EAN 8427542128252

Sustainable lighting for outdoor use

Its built-in solar panel provides the smart spotlight with enough energy to operate. It is enough to 6 hours of natural light to achieve a battery life of up to 8 hours. An outdoor spotlight that offers millions of RGB colour options and CCT light temperatures thanks to the Tuya Smart and Smart Life apps. With dual positioning system to place it both on the wall and on the ground and IP65 protection to withstand any rain or storm. In addition, it is compatible with voice assistants.
