

SmartLED Duo panel

SKU BXPLAFLED01 | EAN 8427542125909

Double lighting in one panel

The SmartLED Duo panel Ø42 cm fits in any bedroom, living room or kitchen. It provides light on both sides: white CCT lighting in the lower zone and millions of RGB colours in the upper part. Its WiFi connection allows to control it through Tuya Smart or Smart Life apps in a simple way: brightness adjustment, lighting selection, time slot programming and more. Compatible with the voice assistants Alexa, Google Home or Siri.
