

## SmartLED Boreal ceiling light

SKU BXPLAFLED03 | EAN 8427542130781

### Unique atmospheres filled with colour

The Boreal ceiling light and its Ø38.5 cm illuminate spaces such as bedrooms, pantries or playrooms. Its RGBIC lighting synchronizes an infinite number of colours at the same time and its CCT lighting sets different types of white light depending on the time of day. Its Bluetooth connection allows to control it through the iLink app from where it's easy to select the type of light, program schedules, choose scene modes and more. Includes remote control for offline use.
