

Oslo smartwatch

● BXS14N | 8427542128672 ● BXS14V | 8427542128689

An all-terrain smartwatch

The Oslo model has been conceived as a smartwatch ready for adventure and the most daring extreme sports thanks to its IP68 protection and multiple sport modes. With a 1.5" IPS multi-touch screen from which one can make or receive calls via the dialpad or the personalised contact list. A watch that offers up to 5 days of battery life. Compatible with MActivePro, a complete app from where it is very easy to keep track of the health and day-to-day life, which also features voice assistants. Available in 2 colours.
