The version for smaller wrists

The Urban 4 mini, much more compact than the Urban 4 to fit smaller wrists, features a 1.74" TFT multi-touch screen that's filled with colour and crispness. A watch designed for everyday use that allows making and receiving calls, as well as managing notification alerts. It features a multitude of sport modes and 24/7 health monitoring. With up to 3 days of battery life and its own compatible app: MActivePro. Its interchangeable straps are compatible with Apple Watch 41 mm.
