

Olympo smartwatch

SKU BXSW20N | EAN 8427542133249

AMOLED curved display and double strap

The Olympo features a 1.96" curved multi-touch AMOLED display that offers the finest image quality. Its refined and unique design and its two straps (one in steel and the other in silicone) highlight its sophisticated nature. A watch that allows making and receiving calls that also features notification alerts. Up to 5 days of battery life to enjoy its 24/7 health functions and its multiple sport modes. Very easy to synchronise with Smart-Time Pro, which enables the user to maintain full control of all the watch's functions.
