

Smartwatch Titanium

SKU BXSW21N | EAN 8427542133256

AMOLED experience and double strap

The Titanium's 1.43" multi-touch AMOLED display offers maximum crispness and vibrant colours. A watch with a robust and resistant design that includes two straps (one in steel and one in silicone) to switch styles at any given moment. It allows making and receiving calls and features notification alerts. It incorporates multiple 24 h health functions, sport modes and offers up to 5 days of battery life. Compatible with the Smart-Time Pro app from which users can enjoy the multiple functions of a watch that has designed to excel.
