

Grace LED light with sensor

33 BXTILED35P | 8427542122885

55 BXTILED55P | 8427542122854

A batteries-powered indoor light

The Grace LED light with intelligent sensor illuminates closed spaces in the most discreet way possible. Very easy to position thanks to its 3M adhesive tape system and easy to transport thanks to its magnetic base. A batteries-operated light that emits a neutral white light of 4,000K thanks to its built-in LEDs. Loaded with intensity and offering two light modes to illuminate any cabinet, drawer or corner. Available in 33 and 55 cm.
