Astro wireless headphones

SKU BXTW12N | EAN 8427542130910

Bone conduction for sportsmen and women

The Astro offers a unique hearing experience. Its bone conduction technology transmits sound through vibrations without blocking the ears or blocking the ear canal, allowing the user to maintain full environmental awareness. Especially useful for sports activities where being aware of environmental sounds is important, or for people who experience discomfort with conventional headphones. Up to 7 hours of battery life and IP64 protection against splashes and sweat.
