

KSIX CHARGE + CAR

Gravity car phone holder and charger

SKU L9000CG01 | EAN 8427542109398

Wireless charge in the car

The Gravity holder is a universal phone holder that offers wireless charging for smartphones. It has a clamp system to attach it to air vents and an automatic gravity lock that adapts to any smartphone. It incorporates a round joint that allows 360 degrees of rotation to adjust the smartphone in the best position. Charge and safely secure the phone while using it as a navigation system. It includes a 1 meter USB-A to Micro-USB cable to connect it to a car output.
