MagCharge wireless charger

SKU LC0925MSC | EAN 8427542114552

For Apple devices with MagSafe®

Contact's MagCharge cable brings all the benefits of MagSafe® wireless charging to the iPhone 12 and later models. It offers a 15 W fast charge power. Simply connect it to a compatible 20 W wall charger (not included) via the USB-C connector and attach the MagCharge charging base to the back of the phone for its magnetic system to automatically lock in place and deliver maximum power and charging speed to the device. Very easy and comfortable to use thanks to its 1 meter long cable.
