1S Smart heater

SKU ORHTC1S | EAN 6970403201387

The perfect temperature from anywhere

A conventional smart heater from the Xiaomi ecosystem offers a temperature range between 16 and 28°C, which is very easy to adjust through its touch screen or its own Mi Home app. Its dual internal sensor system along with its smart control regulates the heat output automatically once the preset temperature is reached. Up to 2,200 W of fast heating and 72 aluminum plates to disperse heat optimally in any corner of the house. With an ideal design to include it in any part of the house.
